## Medical Information

Child's Primary Disabilities/Special Health Care Needs/Diagnoses/Health Problems:

Does your child have any dietary/feeding needs (ex. g-tube, soft food only, etc.)?

Allergies (if any):

Does your child have asthma or breathing difficulties?

Does your child have seizures? (if yes, describe seizure activity and care needed)

Does your child have any communication needs that we need to be aware of?

Does your child have any mobility needs?

## Other Information

What interests does your child have? How can students best engage with them?

Do you have any pets in the home?

Has your child had a history of elopement or being a flight risk?

Is there anything else we need to know about your child or family?
